Subject: Bristol Bay - Draft Federal Register Notice for your review by 7/5

All –

Per today's discussion, the most current version of the draft federal register notice that will announce a 90-day public comment period on the proposal to withdraw the July 2014 Proposed Determination is attached. Given that Michelle Pirzadeh in Region 10 will be signing the notice, the Region will collect comments and help move this along for final signature by July 11th. Please send me any edits and comments by noon eastern on Wednesday, July 5th. I will collect and compile comments.

Given the timing, we will not be able to have this published in the federal register by July 11th. The current plan is to have this signed and on our Bristol Bay website by July 11th. The Region is also working on a communications plan for this posting in coordination with headquarters.

Office of Water is working on the letters for the tribes and ANCSA Corporations for the Administrator's signature.

Thank you and have a good weekend.
